

# SPARKMAN & STEPHENS

NAVAL ARCHITECTS - YACHT BROKERS

555 THAMES STREET, NEWPORT, RI 02840  
170 MASON STREET, GREENWICH, CT 06830

Sparkman & Stephens is looking for an entry-level Naval Architect or Engineer for full-time employment in our Yacht Design Department in Newport, RI.

Primary Responsibilities will include:

- Naval architecture calculations and associated drawings
- Engineering calculations and associated drawings
- Structural design in various materials, including advanced composites
- Hydrostatics and velocity prediction
- Weight and center estimates
- Specifications

The candidate will have a passion for yachting, be enthusiastic, self-motivated and able to handle multiple projects simultaneously while completing all work on schedule.

Requirements for employment are:

- Bachelor's Degree from accredited institution in the field of Naval Architecture or Marine Engineering
- Proficiency in 2D drafting and 3D modeling; experience specifically with AutoCAD and Rhino will be seen as an advantage
- Exemplary written and verbal communication skills
- High levels of initiative, attention to detail, and professionalism

Interested candidates should email a cover letter and resume to:
