THIS IS NOT YOUR TYPICAL ENGINEERING COLLEGE

Do you have an unsinkable love of engineering and a passion for the water? Webb is the place where the two come together! Earn a dual degree in Naval Architecture and Marine Engineering through our unique, multi-disciplinary engineering program. As a “Webbie,” you’ll collaborate and problem solve, all while developing the skills, knowledge, and networks necessary to design what you love and make your mark on the world.

THE FRIENDLY ATMOSPHERE, IMPASSIONED INSTRUCTION, AND THE OPPORTUNITY TO TRAVEL THE WORLD WHILE BUILDING MY RÉSUMÉ ARE WHAT ATTRACTED ME TO WEBB. AFTER ONLY ONE SEMESTER, WEBB BECAME MY SECOND HOME.”

WINTER WORK INTERNSHIPS TAKE YOU AROUND THE WORLD

How do Webbies graduate with a 100% job placement/graduate school acceptance rate? We attribute this impressive stat partially to our dynamic Winter Work internship program. Four winters. Four unique learning opportunities in the marine industry. You’ll build your professional skills and your résumé in the field and on the job.
