

Veterans Assistance Policy

Veteran educational benefits are available to eligible students at Webb Institute. The Post 9/11 GI Bill ® program (Chapter 33) is one of the most frequently used VA benefits by veterans. Under Chapter 33, students are provided funding for tuition, books, housing, and required fees. Webb Institute gives each student a tuition-free scholarship, currently valued at \$57,380 per academic year (Fall, 2023).

The GI Bill ® is a registered trademark of the U S Department of Veterans Affairs (VA). More information about education benefits offered by the VA is available at the office US government website, <https://benefits.va.gov/gibill/>.

Webb Institute adheres to the requirements and complies with Chapter 33. Any students who are eligible for Chapter 33 benefits or as a dependent from a veteran parent, must inform the Registrar's office in writing prior to the start of the semester.

Webb Institute maintains records to show the progress of each Veteran or eligible student and makes all records available for inspection. Records are retained for at least three years following the students' last day of enrollment.
